Independent Accountant's Review Report

We have reviewed the accompanying financial statements of Sample Airline Holdings LLC, which comprise the balance sheets as of December 31, 2025 and 2024, and the related statements of operations and cash flows for the years then ended. A review is substantially less in scope than an audit, and accordingly we do not express an opinion. Based on our review, we are not aware of any material modifications that should be made.

Notes to the Financial Statements

Note 6 - Leases. The Company leases aircraft and airport facilities under operating leases accounted for under ASC 842. Operating lease liabilities were $1,080 million at December 31, 2025. Lease cost for 2025 was $346 million.

Note 7 - Debt. The Company's term loan and revolving credit facility contain a financial covenant requiring a fixed charge coverage ratio of at least 1.25 to 1.00, tested quarterly. The Company was in compliance at December 31, 2025.

Note 8 - Commitments. The Company has firm purchase commitments for 86 aircraft scheduled for delivery in 2026, with remaining payments of approximately $4.2 billion. These commitments are not recorded on the balance sheet.

Note 9 - Contingencies. The Company is a defendant in a class action relating to employee leave policies. A settlement including an $18.5 million settlement fund has been preliminarily approved.

Note 10 - Related party transactions. The Company paid management fees of $12 million in 2025 to an affiliate of its majority member under a services agreement.
